FibreGlassDirect

One stop shop for raw material supplies

FibreGlassDirect.co.uk is specialist distributor of Fibreglass materials and application tools. We are supplying both domestic and commercial customers since 1994.

FibreGlassDirect operates from two locations - Warrenpoint, Northern Ireland and Stonehouse, Gloucestershire. This enables us to offer localized customer support and a swift delivery service to both Irish and UK customers.

In 2015 we distributed over 3.9 million kg's of Fibreglass materials to customers in the UK, Ireland and Mainland Europe.

FibreGlassDirect's track record in customer service is proven through its online success. We continue to invest in new products, technologies and processes to ensure our customers receive the best Fibreglass products on the market.

FibreGlassDirect is a trading brand of Tricel (Newry) Ltd. Tricel has more than 40 years' experience in the Fibreglass and composites industry.
